

# PARTY CONVENTIONS HELD FRIDAY

## REPUBLICANS BURY HATCHET AND HOLD HARMONY MEETING

Warring Factions Get Together and Adopt Platform and Do Other Necessary Business—Not a Ripple Disturbs Course of the Convention—Endorse Bonus Measures

SPRINGFIELD, Ill., April 21.—Illinois Republicans today buried the party hatchet long enough to get together in a harmony convention—which lasted just fifty two minutes.

That was long enough, tho, for them to cheer each other impartially, seat all the contesting delegates, adopt a platform that carefully avoids all the issues that might tread on factional toes, and stage a friendly demonstration or two. Then having performed according to the carefully pre-arranged plan of the bi-partisan steering committee they hurried away to catch outgoing trains, leaving not a vestige of yesterday's storm clouds behind.

From the standpoint of party harmony the convention was an unqualified success. Everybody got something—and nobody got anything that would hurt the feelings of anybody else.

The Small-Thompson forces seated Mayor William Hale Thompson's contesting delegation from Chicago with half a vote per man; avoided any censure of Governor Small and likewise any praise of his opponents.

They also obtained the temporary chairmanship, vested in Senator Samuel A. Eitelson and made their fair half of the motions planned by the steering committee.

The McCormick-Brundage-Crowe forces seated their Chicago delegation, likewise a half vote per man; avoided any laudation of Governor Small's administration, conferred the permanent chairmanship on United States Senator William B. McKinley and made the other half of the steering committee's motions.

The platform adopted praises President Harding's administration for providing agricultural credits, controlling grain exchanges and the packing industry, relieving shippers from oppressive railroad rates; getting back to peace time expenditures for governmental purposes, abolishing the "nuisance taxes" and reducing the income tax; "views with confidence the signs manifest" of better agricultural, diminution of unemployment; better business; liberty bonds selling near par and "all the happy result of a wise program of domestic legislation the natural result of the peoples' confidence in a Republican administration."

Endorses Two Bonus Bills. Like wise the platform makers pledged support to the state soldiers' bonus bill referendum in November; endorsed the bonus plan now before congress the proposed protective tariff law; congratulated the country on being out of the league of nations, and expressed "unalterable opposition" to participation on any commissions created under the covenant of the league or the Versailles treaty.

For the purpose of reducing taxes the platform advocates strictest economy in state and national expenditures and the discontinuance of all unnecessary public work; urges speedy completion of the state's hard roads program and commends Governor Small's administration for the economy exercised in letting contracts, with a special resolution prepared by Senator McCormick and McKinley endorsing the Great Lakes-St. Lawrence waterway and urging the president to enter negotiations with Canada immediately with a view of starting this work.

The peace within the Republican ranks was not reached until a half hour after the convention had been scheduled to start. The harmony committee appointed last night with two representatives of Governor Small and two of his opponents resumed its labors at 8 a. m. but not until 12:30 were they able to announce acceptance by both sides of the compromise program.

Under the steering committee's plan roll calls were eliminated and the contesting delegations from Cook and Greene counties admitted to the floor and seated the total delegation dividing the county vote on an equal basis.

From the time this motion, put by Henry I. Green of Urbana, one of the harmony committee members was carried the well oiled wheels set in motion by the conferees moved swiftly and with precision. Presents Temporary Chairman. Frank L. Smith, of Dwight, the retiring state central committee chairman withdrew the doorkeepers and opened the floor to the rival delegations then presented

## ENGINEER BOOSTS PRIVATE CONTROL OF ST. LAWRENCE

Says the Government Can't Build Deep Waterway

(By The Associated Press)  
CHICAGO, April 21.—Improvement of the St. Lawrence river should be undertaken by private capital rather than by government control, Hugh L. Cooper, New York, engineer, who has made a study of the project for the frontier corporation of New York state tonight told the American Institute of Electrical Engineers.

Governments cannot and private capital can purchase and direct the engineering and construction ability which will be required to reconstruct the St. Lawrence. The engineering and construction ability required for St. Lawrence work is far greater than that required for any previous construction in the history of engineering.

Mr. Cooper further claimed that no government could overcome its own "red tape" or obtain sufficient efficiency from its employees to consummate such a project and that there are no contractors of sufficient ability to whom the government could let out the work.

"Coincident with the construction of the generating system of the St. Lawrence, there must be constructed vast distributing systems by private capital for the use of energy when it is ready for delivery. The private capital for these distributing systems will not in my judgment, be willing to undertake the financing of distributing systems that are to receive their current at some unknown time when the government agencies could complete the work, if they could complete it at all," he said.

Burden People With Taxes. Mr. Cooper also asserted that if the government were to undertake the St. Lawrence project it would place an intolerable burden of taxes on the people.

Denying that the men willing to invest their capital in this undertaking have anything but highest and most unselfish aims, or that they intended to subordinate the navigation advantages of the project to the power-producing phases, he said:

"The majority of the securities will have to be taken by the public at large." "This investing public will never subscribe to these securities if their attractiveness is clouded by propaganda or abuse and misrepresentation in any considerable amount. Before the frontier corporation or any other corporation can finance units of development on the St. Lawrence, it must prove to governmental authority and its prospective investors that its financial program will not be endangered."

**GASOLINE EXPLOSION CAUSES ONE DEATH**

(By The Associated Press)  
DOWNEY, Calif., April 21.—One man killed and 30 injured, three seriously was the toll tonight of two explosions at an oil station today. Seventeen hundred gallons of gasoline blew up after the fire started either from crossed electric wires or from a blow torch which was being used by a workman near the building.

W. L. Henry, a Downey grain merchant died in a hospital several hours after the accident. Three other persons were so badly burned that physicians said the chances were against their recovery.

The fire started in a truck standing by the station and quickly spread to the station. A group of school boys ran a hose to the roof of a shed nearby and began to spray the flames. As they were doing this an underground tank at the station blew up scattering burning gasoline over the boys and bystanders. Shortly afterwards the flames reached a tank truck standing by the station and the gasoline in this also exploded injuring many more.

**NATIONAL INSTITUTE OF PROGRESSIVE FARMING**  
CHICAGO, April 21.—The National Institute of Progressive Farming was launched today at meeting of the tractor and threshing department of the National Equipment association. The purpose of the new organization is to coordinate all commercial interests by supporting a national prosperity as reported by the progressive farmer. Representatives of farm implement, steel, oil, motor, truck, dairy, swine and pure-bred livestock interests attended.

## WILLARD BAILEY IS WOUNDED IN SHOOTING AFFRAY

Gregory Ranch Foreman is Shot by Tenant Friday Afternoon

White Hall, April 21.—Willard Bailey, foreman of the Gregory Ranch near here, is in a serious condition at the hospital here as the result of sun shot wounds which he sustained about three o'clock Friday afternoon. The gun was in the hands of William Hurst, a tenant on the Gregory farm, and the shooting was the outcome of an altercation which the two men had when Bailey went to the house to oust Hurst.

The house had been leased by Dewey Hayden, the lease expiring March 1. Mr. Hayden had sublet the house to Mr. Hurst and this lease also expired March 1, but Hurst refused to move until notified by Mr. Hayden. Willey Campbell was in charge of the property and had made an effort to have Hurst vacate. On April 12 Campbell instituted a forcible detainer suit against Hurst in Judge Ballard's court, and obtained a judgment of ouster against Hurst.

Hurst failed to make bond within five days as required by law. Thursday morning Judge Ballard sent Sheriff Caffery to eject Hurst from the house and his furniture was removed and placed in the road near the house.

Campbell telephoned Foreman Bailey to go to the house and nail the doors and windows to prevent Hurst's again taking possession. When Bailey arrived at the house he found Hurst had already moved his furniture back in. When Hurst informed Bailey that he intended to stay the latter turned to leave when Hurst struck him on the head with a club. Bailey turned and struck Hurst in the face with a hammer which he had in his hand, and Hurst hastening into the house produced a shot gun and fired upon Bailey, who had started to leave the premises. The wounded man was brought to town to the hospital and there Dr. W. W. Billings found that sixty-seven shot had taken effect in his arm and side.

Hurst was placed under arrest and is in the city jail, where he will be held awaiting the outcome of the tragedy.

## SUSPECT ALLEGED TO HAVE ADMITTED KILLING OF WOMAN

Thomas Roche, Street Car Conductor, Confesses Police Say

CHICAGO, April 21.—After a day of continuous questioning in which he sought vainly to free himself, Thomas Roche, street car conductor confessed tonight, according to police that he had killed an unaided woman whose nude body was found in a moving van near Roche's home early today.

Mrs. Maude Correll, at whose home the woman is said to have visited Wednesday night, tonight identified her as Mrs. Anna Corlies, 39, a divorcee, formerly of New Haven, Conn.

Roche had first insisted that the girl swallowed poison, then had declared that Russell Moseby, a negro janitor, had attacked her and had helped to bear her.

Tonight, according to police, Roche said the woman had met him on the street Wednesday night and had gone to his apartment. He struck her with a revolver, the police said, he admitted after they had quarreled. Jewelry which she had was found beneath a carpet in Roche's room. Roche said he kept the body in his room until last night when with Moseby's help it was placed in the van.

## UNEARTHS CEMETERIES IN CAHOKIA MOUNDS

EAST ST. LOUIS, Ill., April 21.—Warren K. Moorehead, archaeologist of Phillips Academy, Andover, Mass., has unearthed three cemeteries, 52 skeletons, 22 objects of pre-historic residents of the Cahokia mounds near here, he announced today. Professor Moorehead is doing research work at the mounds under direction of the University of Illinois.

These discoveries tend to substantiate the theory that the mounds are of human construction rather than natural hills it was said.

## BRIEFS

(By The Associated Press)  
WASHINGTON, April 21.—Mrs. Willard T. Block of Illinois, is one of the seven candidates for vice presidents to be chosen today by the Daughters of the American Revolution in annual convention here. Balloting for officers will follow a reception at the white house this afternoon.

LOS ANGELES, April 21.—Alfred Montgomery, 65, known as the "farmer-painter," died last night after an illness of a month.

BELLEVUE, Ill., April 21.—Rev. E. V. McCluskey of the First Presbyterian church here may play billiards as often as he wishes, members of the congregation decided last night after a hearing in which a minority of the congregation sought his removal, questioning the propriety of a minister as a billiard player.

SPRINGFIELD, Ill., April 21.—Search for Rev. W. J. Leach, missing pastor of the Averyville Methodist church in Peoria, was transferred to Springfield for a time yesterday when a Peoria spiritualist declared he had visions of Mr. Leach walking in a dazed condition in Springfield.

LITCHFIELD, Ill., April 21.—Mrs. Edward McGaughey, 28, the mother of four children, the youngest a baby of five months, died at the hospital here early this morning, as a result of burns received yesterday afternoon when she used coal oil to start a fire in a kitchen stove.

QUINCY, Ill., April 21.—A dilapidated flivver held up Quincy's entire street car system for more than a half hour today, when its left front wheel became interlocked with that of a street car at a transfer point in the heart of the city. It required a force of men to jack up the street car and release the "Henry" from its death grip.

BARSTOWN, Ky., April 21.—Nancy Dolfinger, nine years old, was the central figure in a curious tangled domestic web, when county court opened here today. Her father, Raymond Dolfinger, a Louisville traveling salesman, sought her custody on a writ of habeas corpus, and her mother, Carolin, divorced wife of Dolfinger, and reputed now to be the wife of William Koe Sun, Rockford, Ill., Chinese restaurant owner, resisted it.

FREEPORT, Ill., April 21.—The Illinois conference evangelistic association in session at Mendota last night endorsed by a unanimous vote the proposed union of that body with the United Evangelical Church. This was the seventh annual session of the association and more than 100 ministers attended.

## STATE OF OHIO WANTS NEW CANAL

(By The Associated Press)  
WASHINGTON April 21.—Ohio members of the house appeared before the senate appropriations committee today to urge an increase in the army appropriation bill permitting surveys to be completed on the various suggested routes for a large canal connecting the Ohio River with either Lake Erie or Lake Michigan. Practically all the funds sought for the purpose were whittled off the appropriation by the budget bureau and the house and the delegation asked that about \$250,000 be put in the bill to complete the surveys.

Members of the delegation argued that the improvement which they sought was a national and not a state or district appropriation. Mr. Thompson asserted that most of the states east of the Mississippi as far south as Tennessee would benefit directly and declared that to complete the survey was to give to congress the information it must have before deciding the question.

## AVIATORS WAITING TO HEAR FROM HOME

Fernando, Noronha, Brazil, April 21.—Captains Coutinho and Sacadura who flew early in the week from the Cape Verde Islands to the St. Paul Rocks, assert that he covered 819 miles in 11 1/2 hours, owing to a shortage of gasoline as far south as the St. Paul Rocks they had to descend notwithstanding the heavy sea. The waves quickly demolished the hydroaeroplane.

The aviators say they will remain here pending receipt of instructions from Portugal.

**ALLEGED WHISKEY STILL IS RAIDED.**  
BELOIT, Wis., April 21.—An alleged whiskey still on the state line between Beloit Wisconsin and South Beloit, Illinois, was raided by the police of both states last night.

Several arrests were made.

## CONFERENCE AT GENOA PROMISES TO GET RESULTS

Realize This Country Must Help Financially

(By The Associated Press)  
GENOA, April 21.—The economic conference today made a great stride forward. Eliminating of the Russo-German treaty from the controversy and Soviet Russia's acceptance of the allied conditions concerning foreign debts and confiscated property of foreigners, produced a definite hope that the greatest congress European statesmen ever held will accomplish something real and tangible for the reconstruction of Europe including Russia.

The demands of the powers which have been accepted include the waning by Russia of her counter-claims, based on military intervention; recognition of war debts to the governments, with the understanding that they will be considered scaled down; recognition of debts and financial obligations due to foreign nationals and the right of foreigners to have confiscated property returned to them or to be given proper compensation for it.

The conciliatory nature of the answer of the soviet government contributed to the optimism that the Bolsheviks earnestly seek an arrangement with the powers by which soviet Russia will be permitted to enter into the comity of nations. The clear and brief demands of the allies which afford a concrete basis for discussion compared here by the observers to the concrete American proposal for naval limitation introduced at the outset of the Washington conference and which gave the arms delegates an opportunity to concentrate discussion on something tangible and constructive.

Turn Eyes to United States. The insistence of the soviet on foreign financial aid as a necessary condition to Russia's salvation serves to turn all eyes toward the United States for it seems to be recognized that effective support for Russia is impossible without the participation of capital.

The sentiment regarding American financial support was summed up today by former President Motta of Switzerland, who said that without assistance from the United States it would be difficult for Europe to win out.

Simultaneously with today's developments prominence was given press despatches from the United States asserting that public opinion there did not expect any assistance would be given Europe until Europe put her house in order and really got to work, solved the problems of German reparations and reduced her armies.

Signor Facta, chairman tonight officially voiced hope for the success of the conference which the soviet reply of today is considered to justify.

A committee of seven representing Great Britain, France, Italy, Belgium, Japan, Holland and Czechoslovakia will meet the soviet experts tomorrow to inaugurate a practical discussion of the entire situation. Rumania was assigned a place on the board of experts, but withdrew in favor of Czechoslovakia.

## WHAT DO YOU THINK THIS IN DRY PEORIA

(By The Associated Press)  
PEORIA, Ill., April 21.—The mystery of what makes the lightning bug lightning has been solved by Radio according to Hamilton Bailey, wireless operator on the U. S. S. Blackhawk, flagship of the North Sea Mine Sweeping fleet during the world war.

Lightning bugs are equipped with miniature audio bulbs and possess a low radio frequency and a short wave length Bailey contends. He claims that radio waves generated by parent lightning bugs equipped with broadcasting apparatus cause the lightning-like flashes.

Each bug is equipped with its own antennae the long feelers or whiskers serving as the aerial according to Bailey.

The theory was made the subject of experiments by Peoria Radio Club, according to Ernest Stickham, president.

**APPEAL TO STAY EVICTION OF MINERS.**  
KNOXVILLE, Tenn., April 21.—Declaring that the union had no money in the treasury to make additional bonds, United Mine Workers officials in district 19 today appealed to government agencies to stay the eviction of 40 miners and their families at Ball Kan, Ky.

## DEMOCRATS CHARGE REPUBLICANS WITH EVERYTHING IN SIGHT

Extravagance and Failure to Carry Out Pledges Voiced by Speakers—Rainey in Attack Upon Governor Small—Profess to See Victory at Polls Next November

(By The Associated Press)  
SPRINGFIELD, Ill., April 21.—Charging the Republican state and national administrations with extravagance and failure in speeches and resolutions at their convention today, Democrats of Illinois left the capitol tonight with claims of victory next November and in 1924.

No discordant note was sounded to disturb the apparent perfect harmony of the Illinois democracy. Plans for organization of the state committee with Thomas Donovan of Joliet as chairman and Isaac B. Craig of Mattoon as secretary were completed during the convention at a joint meeting of the retiring committee and the newly elected committee called by Chairman Ernest Hoover.

The three nominees for trustees of the University of Illinois named by the convention are: Frank T. O'Hair of Paris, who defeated "Uncle Joe" Cannon for congress in the Democratic landslide of 1912; Dr. Rowena Morse Mann, pastor of the Third Unitarian Church of Chicago, and Mrs. W. A. Hart of Benton.

The battle cry against alleged Republican extravagance was sounded by Bruce A. Campbell of East St. Louis temporary chairman of the convention who was the unanimous choice for permanent chairman with Anton Cermak of Chicago as secretary.

Governor Small was especially marked as a target for Democratic criticism. The governor's troubles and the condition of Republican factional affairs in Illinois were capitalized by the Democrats for the coming campaign.

Declaring that Governor Small has finally consented to be tried for offenses with which he is charged, Henry T. Rainey of Carrollton, who hopes to regain his old seat in congress after an absence of two years, scored the governor with criticism and ridicule. The convention remained in session only long enough for Chairman Campbell's speech and completion of the platform and few speakers addressed the delegates.

Peter Bartenz, nominee for state treasurer said he came to the convention because it afforded him an opportunity to look over the premises he expects to occupy for two years.

**Women Play Prominent Part**  
Women played a prominent part in the convention. Mrs. Howard Wilson of Macoupin county headed the credentials committee and Mrs. Anna M. Smith of Chicago, Illinois, member of the Democratic national committee put the convention on record favoring a woman's auxiliary to the state committee.

"Harding, high taxes, hard times and havoc" was a slogan recommended to the Republicans by Miss Eva Hatterton, Democratic nominee for superintendent of schools of Sangamon county. Senator Newberry, she declared was seated thru a Republican "pay-as-you-enter" system adding that policy of the Republican national convention of 1920 was one of "cash and carry."

John F. Delaney, a Chicago newspaperman nominated for congress-at-large to complete the unexpired term of the late William E. Mason, addressed the convention from the press gallery when Chairman Campbell called upon him for a speech.

The only ripple to disturb the Democratic tranquility is said to have occurred behind the doors of the committee room when the final touches on the platform were made. Here it was said former Congressman James M. Graham one of the attorneys who offered the maxim "The King Can Do No Wrong," in behalf of Governor Small objected to reference to the matter in the platform, but the clause remained.

## HOMER CLARK, ALTON SHOOTER TUD FOR FIRST

VICKSBURG, Miss., April 21.—E. F. Woodward, of Houston was heading high amateur today in the spring tournament of the Hill City Gun Club breaking 200 straight. That number was the limit.

Homer Clark of Alton, Tenn., and Bert Duncan of Lucy, Tenn., tied for professional high gun with 187 out of a possible 200.

**FLOOD CAMPAIGN WORKERS TO MEET THIS MORNING**  
All workers in the campaign to raise funds for flood sufferers are requested to meet this morning at 9 o'clock in the chamber of commerce headquarters. The districts have been outlined in a way to make quick work possible.

Assistant State's Attorney Jona, also announced that he plans to bring Peacock's financial operations to the attention of the grand jury Tuesday.

## RELIEF FUND FOR BEARDSTOWN IS GROWING RAPIDLY

Contributions Coming in from Many Cities Mayor Says

(By The Associated Press)  
BEARDSTOWN, Ill., April 21.—The relief fund for flood stricken refugees of Beardstown grew rapidly tonight from contributions in response to Mayor Wesley Perry's appeal for help.

Hearty response to the mayor's appeal came from all directions from cities and towns which offered aid two weeks ago before Beardstown realized its dependence upon its neighbors.

Two newspapers in Springfield are receiving subscriptions to the relief fund. A contribution of \$1,000 from the Central Illinois Public Service Company was followed quickly by donations from the city of Mount Sterling, the grand council and local lodges of the Knights of Columbus, business men of Jacksonville, Peoria, Chicago, Quincy and Rushville.

Food supplies were rushed to the flooded city today and officials announced tonight that there would be no suffering from hunger.

Telephone service between Beardstown, Rushville and Fredericks was re-established tonight on temporary lines. Ten houses were "anchored" to moorings to prevent them from drifting against the improvised telephone lines.

Government engineers tonight predicted a slow fall in the Illinois river tonight and Saturday if central Illinois is drenched by no more rains the river is expected to fall rapidly after Sunday or Monday.

Members of the Salvation Army who have been in charge of the relief work for more than a week provided a musical entertainment for refugees today in a school yard where a tent colony has been established.

## PEACOCK IS ASKED TO EXPLAIN SHORTAGE

(By The Associated Press)  
CHICAGO, April 21.—Everette R. Peacock, president of the defunct Everette R. Peacock Seed company was ordered to appear next Tuesday before Referee in Bankruptcy Eastman and explain the \$150,000 shortage at the Milwaukee-Irving State Bank of which Peacock was formerly president. An attempt will be made to trace the bank's money which it is alleged passed thru Peacock's hands and is now missing.

Assistant State's Attorney Jona, also announced that he plans to bring Peacock's financial operations to the attention of the grand jury Tuesday.

The community high school at St. Clair cost \$141,151, according to a statement recently published. That expenditure for the community school is as large or larger than that for the Jacksonville high school. The local building cost a lot of money and is worth it in its radiating influence.

The authorities of Carthage college, located at Carthage, Ill., have set \$200,000 as the mark for endowment fund subscriptions they expect to secure from Hancock county. The first day's drive netted \$32,000, all of which goes to show that the value of educational institutions as business assets of a community is fully recognized in many localities these days.

The Chamber of Commerce of Jacksonville has many lines of activity, but the Springfield C. of C. has gone farther and has named a law and order committee to co-operate with county and city officials in Springfield with the hope of bringing about better conditions.

Two recent murders, taken, taken in connection with wholesale charges made in pre-election

measures were undertaken which will forever prevent the recurrence of such a flood in Dayton, at least.

Communities as well as individuals, learn by bitter experience. Taxation for building protecting walls at Jacksonville was voted down in 1916 and on other occasions. But such an issue now put up to the people will carry with a whoop.

## Help Jacksonville win. Attend Grace Sunday School

## HUDELSON BAPTIST ORPHANAGE WRECKED

Institution In Which Local People Are Interested Suffers Storm Loss.

There were cheers for Senators McKinley and McCormick and still other cheers for Governor Small, Mayor Thompson, Attorney General Brundage and some of his political co-partners from Cook county. If some of that harmony can last it will pave the way for November success.

## PIONEERS OF WEST

(From Kansas City Star.)

What a tide of life it was that broke past the Mississippi barrier just before the middle of the last century and poured over the great plains! A tide that overflowed the whole country only to break into spray, as someone has said, on the hundredth meridian, where seamy rainfall turned it back. Stalwart men and women they were, the bulk of them God-fearing, sober folk; but mixed with them irresponsible and adventurers, driven by the desire for change.

They streamed along the trails in endless processions of covered wagons, drawn by horses or oxen. Dying here and there, they took up the land, put up rude shacks, broke the sod, and began to bring the empire of the vast western valley under the plow. This was the history of Missouri and Kansas, and Iowa and Nebraska, and Minnesota and the Dakotas. The sons and daughters of the west are too little mindful of the hardship and toll, the ceaseless striving and self-denial, that entered into the goodly heritage which is now theirs. The achievements of the first settlers of the continent are recognized in every school book. The men and women who drove back the frontier were worthy descendants of the builders of Virginia and Massachusetts.

## OUT OF TRIBULATION

(Bloomington Pantagraph)

It was to have been expected that following the worst flood in its history, the city of Beardstown would take measure for preventing its future inundation by the Illinois river. It is announced that while the waters are still flooding its streets and cellars, effective steps are being planned whereby a repetition of this disaster may be avoided.

It was ever thus. After the most deadly visitation of yellow fever the country had ever known, some years ago, men of science employed private agencies an government subsidy, set about to discover and eradicate that fatal disease. The results were that no general plague of yellow fever has visited the south in recent years. Following the terrible disaster at the Iroquois theater in Chicago, when over 500 lives were lost, a wave of safety-first for theaters swept over the country, and perils of that kind are now minimized.

When the worst flood of a half century paralyzed the big city of Dayton and caused the loss of many lives and untold property.

S. G. Lutz, vice president of the Chicago & Alton who was here Thursday to attend the transportation meeting, has been in his present position with the Alton since 1914. Mr. Lutz began his railroad career as a young man in Marshalltown, Iowa, where he held a position with the Iowa Central. Some years afterward he was in the traffic department at Minneapolis and St. Louis, and then by gradual promotion came to his present position of large responsibility.

Mr. Lutz has had wide experience in the freight department of the railroad business and in addition has been such a student of the whole general problem of transportation that his views are often sought.

H. E. Watts, general passenger agent of the Wabash railroad, is practically a Wabash product. Mr. Watts began service with the Wabash shortly after leaving college thirty years ago. His experience has been both in passenger and freight service, but for more than eight years past he has devoted himself exclusively to the passenger end of the business.

Albert Cotsworth, Jr., another of the railroad officials here, is younger in years in service than the two men already mentioned. Mr. Cotsworth is now assistant general passenger agent. He began his railroad career in Burlington, Iowa, and has been with the C. & A. since 1909.

RIDGELY ENCAMPMENT SENDS MONEY TO BEARDSTOWN.

At a meeting of Ridgely Encampment No. 9 last night a contribution of \$25 for Beardstown flood sufferers was authorized. T. M. Tomlinson as trustee of the lodge will forward the check to-day. Under the rules of the Odd Fellows lodge this contribution must be turned over to the Odd Fellows organization in Beardstown for the flood relief work.

Urn Lodge No. 243 is to meet Monday night, when the plea for aid will be given attention.

RED CROSS TENDERS AID.

The Morgan county Red Cross chapter has tendered its nursing activities services to the organization which has been effected in Jacksonville for affording aid to flooded districts.

Professional Women Meet.

The Professional and Business Woman's Club met last evening at the Pilgrim Memorial building for the regular semi-annual meeting. The hostesses for the evening were Miss Katherine Forward and Miss Florence Madden. The members

## SOCIETY

Misses Strandberg Hostess To Cloverleaf Girls.

Misses Louise and Margaret Strandberg were hostesses to the members of the Cloverleaf Boosters club last evening at a party given at their home on South Main street. The affair was a "Kid Party," and the guests were all dressed in the clever little costumes of youngsters. There were about thirty five guests present and the evening hours were spent with dancing and games appropriate to the idea of a children's party. During the evening the hostesses served an attractive little supper and the whole affair was delightful in every respect.

## Hostess to Fine Point Club.

Mrs. C. E. Scott entertained the members of the Fine Point club very delightfully yesterday afternoon at her home on Westminster street. This was the regular meeting of the club and the afternoon was pleasantly spent with fancy work. An attractive luncheon was served late in the afternoon. The hostess had invited a number of guests for yesterday's meeting.

## Entertains Queen Esther Class.

Mrs. Charles Hopper was the hostess last evening at a supper given at her home on North Diamond street for the members of the Queen Esther Bible class of Grace church Sunday school. Mrs. Hopper is the teacher of this class which includes about twenty young women. At six o'clock an excellent meeting was held and plans made for the activities of the class. The remainder of the time was enjoyable spent in a social way.

## Hostess to Friday Social Circle.

Mrs. Virginia Vasey entertained the members of the Friday Social Circle yesterday afternoon at her home on West North street. A delightful time was spent with fancy work, music and conversation and during the afternoon the hostess served a delicious luncheon. There were about fourteen members of the club present at the meeting.

## South Side Circle Gives Last Program of Year.

The South Side Circle met yesterday afternoon with Mrs. J. W. Sperry as hostess at her home on West College avenue. The program for the day was in charge of Mrs. H. L. Griswold who gave a summary of the work which the club has done during the year. She gave a comprehensive resume of the book reviews, current events, civic topics, and the program which the club has had during the year on South America. This was the last meeting of the year before the annual picnic which the South Side circle always gives and the program given yesterday was the last regular one of the season. The afternoon was closed with a pleasant social hour and the serving of dainty refreshments.

## Miss Alexander Entertains For Out of Town Guest.

Miss Mary Alexander gave an informal evening party at her home on Caldwell street Thursday in honor of Miss Ruth Badger of Chicago who is visiting with friends in Jacksonville. There were about twelve guests present and the evening was enjoyably spent with cards and dancing. The hostess served an attractive supper late in the evening.

## Amoma Bible Class Met Recently.

The Amoma Class of the First Baptist church met at the church Thursday evening with a good attendance. This was the quarterly business meeting. Supper was served at 6:30. This was in charge of Mrs. Wilson, Mrs. Hocking and Mrs. Patrick. After the supper the business session was held, Mrs. Wilson presided.

## Hostess to Orleans Club In Honor of Mrs. Hodgson.

Miss Matilda Richardson entertained the members of the Orleans Country club Thursday afternoon at her home near Orleans, in honor of Mrs. Chris Hodgson of Boston who is a guest at her home. Mrs. Hodgson has been visiting here for about a week and expects to leave next week for Los Angeles, California to spend the summer. The ladies of the club were the guests and there were about thirty present. The house was prettily decorated with spring flowers. The afternoon hours were pleasantly filled with games, stunts and music and delicious refreshments were served at the close of the afternoon. Among guests from Jacksonville present at the function were Miss Ada Vasey and Miss Violet Davis. Mrs. Laura Hallerberg and daughter of Farmington, Mo., were also guests.

## Miss Beatty Gave Dance Friday Night.

Miss Florence Beatty entertained a number of her friends at her home on 223 1-2 South Sandy St. last evening at a dancing party. Among those present were: Messrs. George Wetzel, Harold Hunter, Kenneth Barton, James Woods, Frank Jones, Dewey Gillis, and Clarence S. Gifford, the Misses Ruth Wilkinson, Katherine Wetzel, Garanda Phelps, Waive Barton and Mrs. Clarence S. Gifford.

Professional Women Meet.

The Professional and Business Woman's Club met last evening at the Pilgrim Memorial building for the regular semi-annual meeting. The hostesses for the evening were Miss Katherine Forward and Miss Florence Madden. The members

signed the new constitution which has been drawn up for the club by Miss Lucy Mount, the chairman, and other members of the constitution committee. A social hour and the serving of refreshments came at the close of the evening.

## Elks Give Benefit Dance For Flood Sufferers.

A dance for the benefit of the fund for the relief of flood sufferers along the Illinois river was given last evening at the Elks club. The affair was to have been one of the regular dances but owing to the calls for assistance that have been received from the flood stricken areas, it was decided yesterday to give the proceeds to the relief fund. About fifty couples were present and an excellent program of dance music was furnished from eight thirty o'clock until twelve by Dunlap's orchestra. The new social committee which included Harlan Williamson, chairman, Elmer Lukeman and Hugh Braden, was in charge of last night's affair.

## Entertains Congregational Guild.

Mrs. Hackett Wilder entertained the members of the Young Women's Guild of the Congregational church yesterday afternoon at her home on Prospect street. There was a long business session in which plans for the future activities of the organization were made. This was followed by a pleasant social hour and the serving of attractive refreshments.

## FIRST BAPTIST CHURCH

The Sunday school gave a report of itself in the large number of additions in the church in the recent revival meetings. The good work will go on. The session is held at 9:30 a. m. Supt. Kopperl invites all who have no church home to attend the Sunday school and church. Morning worship occurs at 10:45 a. m. This will be "Denominational Day" in the Northern Baptist convention. The sermon subject of the pastor, A. P. Howells, will be, "Why Immerse?" Music by the quartet. A Both Baptist Young People's unions will have as their subject "How to Overcome Difficulties." They will meet at 6:30 p. m. Evening worship is held at 7:30 p. m. The subject of the sermon will be "We Would See Jesus." Continuation of the revival campaign. Bring a friend.

Daily Vacation Bible school night will occur on Sunday, April 30th., at which time stereopticon views will be given of this new department of work among the children.

## IMPORTANT ROTARY MEETING AT QUINCY.

A notable Rotary gathering was held at Quincy yesterday under the auspices of the Quincy club. There were ten minute addresses by Charles A. Taylor, governor Illi-

nois district; Peter Harvey, president of Chicago club; Ross E. Lorus, Governor, Hi Martin, ex-governor, George Guernsey, Jr., governor elect Missouri district; E. E. Baker, governor elect Illinois district; Luther A. Brewer, governor Iowa district and Mike Deal, president of St. Louis Club. The speaking program closed with an address by Allen B. Albert, who has a national reputation as an orator.

O. G. Dinwiddie of Lynnvillle, came up to the city on business yesterday.

Harrison Robinson of Sinclair was in town on business yesterday.

BEARDSTOWN VIEWS. Several pictures which give a very clear understanding of flood conditions in Beardstown are on display in the Journal office window. These views were taken by Otto Spithel and show the First National Bank building, the main business street leading to the bridge across the river and still another section in the business district. The views are of such size that the signs on the various buildings can be read and one gains a very clear idea of the location of the flooded area.

Harrison Robinson of Sinclair was in town on business yesterday.

## HIGHWAY OFFICER HERE YESTERDAY

Hale D. Judson, General Manager of Ocean to Ocean Highway Conference, with T. M. Tomlinson, Trail to be Marked to Decatur.

Hale D. Judson, general manager of the Ocean to Ocean Highway Association with headquarters at St. Joseph, Missouri, was in the city yesterday in conference with T. M. Tomlinson, chairman of the Morgan county chapter of the Ocean to Ocean Highway Association. While he was here a contract was made for the painting of the trail from the business district in Jacksonville to Decatur. This contract was awarded to S. M. Armstrong of this city.

Mr. Judson stated that so far this year their association has spent \$17,000 in advertising the trail in the different newspapers and periodicals of this country. They are now running page ads in 13 of the leading newspapers of the United States. The association also has advertisements in all the automobile magazines, the Blue Book, the Literary Digest and other such publications.

Mr. Judson had with him a number of folders showing the

route of the trail and he left these with Mr. Tomlinson for use in this county. These folders have two very good views of the tourist camping grounds at Nicholas Park and a very good write up about Jacksonville. He stated that if we would send him a good view of Mauvasterre Lake he would have it printed on the front page of the official organ of the Ocean to Ocean Trail Association. The publication is called the Modern Highway and has a large circulation. Picture of the lake will be furnished to Mr. Judson at an early date.

The cost of publicity is borne by both the Ocean to Ocean and the Jefferson Trail associations and in 1922 they expect to expend many thousands of dollars in advertising these trails to the tourists of the country.

HAROLD COVERLY

## AGED RESIDENT OF WHITE HALL IS DEAD

Mrs. Elizabeth Patterson Passed Away as Result of Pneumonia—Vote is Canvassed—Other White Hall News Notes.

WHITE HALL, April 21.—The funeral of the late Mrs. Elizabeth Patterson will be held at 2 o'clock Sunday afternoon in the First Baptist church in charge of Rev. L. E. Ellison, pastor of the church. Burial will be made in Pine Tree cemetery at Patterson.

The death of Mrs. Patterson occurred at 12:20 a. m. Thursday in her home on Worcester street, aged 70 years. The cause of death was double pneumonia. She had resided at White Hall since coming from Patterson seventeen years ago. She was a native of Warren county, Mo., her maiden name being Davis, daughter of Abraham and Rebecca Davis, and there she and William P. Patterson were married in 1866. They soon thereafter located on a farm two and one-half miles east of Patterson, where they continued to make their home until the death of Mr. Patterson 22 years ago, and the family came to White Hall five years later. The following children survive: Mrs. James Coates, White Hall; Rev. John W. Patterson, Sycamore, Ill.; Mrs. Frank Batty, White Hall; Mrs. J. F. Ricks, Patterson; Mrs. Sherd Frasier, Jacksonville; Mrs. William Smith, Aisey; William and Ollie at home. There are 25 grand children and three great grand children.

The deceased was a member of the Baptist church and she was a woman of fine christian character.

The deceased is survived by one sister, Mrs. J. P. Sherwin, of Patterson. There are two brothers and one sister deceased.

## Election Returns Canvassed

A canvass of the vote at the city election was conducted by the city council Wednesday, and the result declared effected no change from earlier returns on the vote for aldermen, as follows: first ward, Robert Shaw, 88, George North 1; second ward, Joseph Browning 19, John Conrod 141, Dean Corsa 55; third ward, Herbert Dugger 38, Frank Dawdy 148.

E. L. Wendell was elected police magistrate, receiving eleven votes, while his nearest competitor received seven, there being scattered votes in favor of some other persons for this office.

Wendell is patiently awaiting his commission as justice of the peace as a result of his election at the recent township election, but there seems to be delay in the governor's office. He has rented an office in the Fowler building, the same quarters formerly used by Justice Francis Fowler.

There was little interest in the city election, except that Brown declared he could produce forty voters who would swear they voted for him in the second ward race, and that he had been counted out, but the official count canvass failed to substantiate his charge, and he will have to be content with his laurels as constable.

At the regular May session of the city council it is anticipated that the municipal electric proposition to the voters at a special election. Plans for the proposed Griswold library building will be recommended for approval, and it is believed that this structure will be erected this year if all details are disposed of so that work can be started just as soon as possible.

## News Notes

The local Red Cross has accumulated considerable clothing and other articles in aid of flood sufferers, and the relief work is well in hand. Grant Burgen of Chicago, representing the Red Cross, was here this week, having visited the devastated regions at Beardstown and Naples, and he met with the Red Cross in company with E. M. Phillips, county farm adviser, in organizing the relief work. There are scores of people in tents and in any some of improvised shelter along the main road on the bluff extending south from Hillview, and they are awaiting some better place to go with their live stock and other belongings. Others are being cared for in homes of relatives and friends in the surrounding country, including Hillview, White Hall, Eldred and other towns adjacent to the Illinois river.

Mr. and Mrs. O. M. McGown arrived from Peoria Thursday for a sojourn with the parents of the groom. Mr. and Mrs. W. A. McGown, following their marriage at Peoria on Wednesday. The bride was formerly Miss Grace Park of Alledo. A noon wedding feast was held at the McGown home on Thursday. The groom has been traveling for the past few years, more recently in the southern states. He was formerly a conductor on the Illinois Traction System, and is well known over Central Illinois.

An examination for postmaster at Roodhouse will be held in White Hall on May 13th, according to information reaching the local postoffice Thursday. The present incumbent at Roodhouse, W. C. Roodhouse, was appointed to fill the vacancy caused by the resignation of Frank L. Thompson. An examination was held last fall, and it appears that of recommendations growing out of this examination failed to meet with confirmation, resulting in the necessity for another examination.

The filling station at the corner of Main and Bridgeport streets will soon pass into the hands of the Standard Oil Co. if no hitch arises from the result of the examination by J. R. Coleman of Peoria, district manager of the Standard Oil Co., who is here to complete the deal and set the machinery in motion for completing the station along the pretentious

After spending a delightful winter in the South, we are glad to meet our friends again and get back on the job. We are at your service in all lines of real estate investments and loans.

We also, are local representatives of The Straus Brothers Company of Chicago, and can offer you high class bonds bearing a high rate of interest. These bonds can be had in denominations of \$100, \$500, \$1,000, consequently we can place your money immediately whether you have little or much. Write or phone us and we will come to your home if it is not convenient to come to the office.

**FAIRM PROPERTY**  
There seems to be renewed interest in the purchase of farm lands, and with prices on farm products advancing, and a tendency toward lower rates of interest, it is reasonable to expect farm lands to advance in value, in a moderate degree.

80 acres three and one-half miles from a good town which is all black prairie land and well tilled and very ordinary improvements. Price \$250.00.

**CITY PROPERTY**  
Many who have waited for the decline in city property, think it has reached the bottom and are ready to buy.

We have a nice 7 room house with 4 acres of ground, on a paved street, to exchange for a residence closer up town.

We have a 6 room cottage on the car line, west end, all modern, and in splendid condition for \$4600.00.

**MONEY**  
We have a limited amount of money to lend on farm lands. Let us know your needs and we will get busy at once.

REPUBLICANS BURY  
HATCHET AND HOLD  
HARMONY MEETING

(Continued from Page One.)  
Dr. Etison, Small-Thompson leader in the last legislature, as temporary chairman. He recognized Senator Glenn of Jacksonville after a short keynote speech and the senator nominated Senator McKinley for permanent chairman, the election carrying by acclamation when the chair immediately declared nominations closed.  
Senator Essington of LaSalle county an anti-Small leader, moved that resolutions be sent to the committee unread; George Barr presented the slate for University trustees—M. J. Treas, Chicago; J. W. Armstrong, Rock Island, and Mary Buse, Urbana.

QUICK RELIEF FROM  
CONSTIPATION

Get Dr. Edwards' Olive Tablets  
That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.  
Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.  
Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.  
No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.  
If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.  
Thousands take them every night just to keep right. Try them. 15c and 30c.

and it was nominated; Congressman Michaelson of Chicago, moved that the state central committee be authorized to fill any vacancies which may arise on the state ticket; and Congressman Williamson presented the platform prepared in advance.  
The reading had barely started when the Governor and Mayor Thompson appeared in the arroyo and were given an enthusiastic demonstration as they acceded earlier to Senators McCormick and McKinley and Attorney General Brundage.  
At 2:25 o'clock after being in session eight minutes less than an hour, the convention had adopted the platform and the chairman's gavel fell for final adjournment.

TARIFF MEASURE  
RECEIVES SCANT  
NOTICE FRIDAY

Republican Leaders Finally  
Defer Action Until  
Monday

(By The Associated Press)  
WASHINGTON, April 21.—Officially the tariff bill was before the senate today but it received such scant attention that Republican leaders finally acquiesced in a request of the Democrats that further consideration of it be deferred until Monday. By that time the minority expects to be ready to proceed with the general distribution of the measure.  
When the bill was called up by Chairman McCumber of the finance committee, Senator King, Democrat, took the floor and after a reference to the tariff launched into a nearly four hours' discussion of the Mexican situation. After his address Senator Harrison, Democrat, had the senate clerk read a lengthy newspaper account of a speech by Senator Moses, Republican, New Hampshire, in which the agriculture bloc and many other things were discussed. This over, Senator Curtis, the Republican whip, demanded the regular order, which was consideration of the committee amendments to the tariff bill.  
Senator King announced that if the regular order were insisted upon he would have to make a speech or another subject.  
Senator Harrison interposed to request that the tariff bill go over until Monday saying the Democrats had not had time to do diligent work to prepare themselves for the tariff fight. He added that there was no discussion on the mine side unnecessarily to delay the bill.  
Senator McCumber said he was glad to hear this declaration as he had been unable to connect up the speech of Senator King with the tariff.

CONTEST WAS HELD AT  
WINCHESTER FRIDAY

Declaratory and Musical Contest at Lyric Theater Drew Large Audience—J. T. Priest Weds St. Louis Girl—Other News Items.

Winchester, April 21.—The declaratory and musical contest held Friday evening at the Lyric drew a very large audience and the program was one which was greatly enjoyed. The young ladies were seated on the stage, which was prettily decorated with spring flowers and the national colors. The high school orchestra furnished the opening music and the program as previously outlined was given.

The first prize in declamation was awarded to Orla McCarthy and the second to Eva Hammond. In the vocal contest the first honors went to Ruth Buckley and the second to Oliver Walker.

The judges were Miss Chapman of White Hall, Misses Mathews and Busey of I. W. C. in Jacksonville, and Miss Riggs vocalist of Winchester.

The contestants in declamation were trained by Mrs. Cunningham while those in vocal were drilled by Mrs. S. G. Smith. The decisions reached by the judges seemed to meet the approval of the audience which was enthusiastic in applause.

T. J. Priest Weds.  
Many were surprised to learn of the marriage of Thomas J. Priest of Winchester to Miss Nellie M. Lawton of St. Louis, the ceremony being performed at the home of the bride's parents in St. Louis Wednesday. The bride and groom arrived in Winchester Wednesday evening and are receiving the congratulations of many friends, all of whom join in wishing them a happy married life.

Mr. Priest is well known and highly respected in Scott county. He served as state's attorney for a period of years and is one of the prominent citizens of the community. His bride who is well known here, has held a responsible position with the Springfield Hardware Company of St. Louis.

Mrs. J. W. Eckman was able to be out for the first time Friday since her return from the hospital.

Mrs. W. H. Kinison and Miss Louise Frost went to White Hall Friday afternoon to act as judges in a declamatory and musical contest held there.

Allen Kinison of Naples has arrived in Winchester and reports flood conditions there as very serious, practically all of the houses being flooded on the lower floors.

BIRTHS

Born to Mr. and Mrs. Charles Verler of 551 North Diamond St. an eight pound son.

Hey! How's the Weather Up There?

Major Page, said to be the smallest man in the world, recently met Karl Richter, the tallest man in Minneapolis. The major is 35, is 32 inches high and weighs 26 pounds. Richter, 29, is six feet seven and weighs 232.

MINERS MAY GO  
TO WORK PENDING  
NEW AGREEMENT

(Continued from Page One)  
Mr. Watkins contended that the operators encouraged the principle of collective bargaining between miners and operators in large groups but it has temporarily broken down by the action of the mine workers.

Cause of Failure.  
"Their failure to spread their control over the large non-union fields of Pennsylvania, West Virginia and other states can partly be attributed," he said, "to the fact that they have broken away from the true principle of collective bargaining and have adopted autocratic executive methods in the organized fields all of which is known and has caused the stubborn resistance which you see today among both miners and operators in the non-union fields. Further it is quite natural that such a large organization would find itself unable to control the ideas of a membership running between 500,000 and 600,000. The result has been that the organization is perpetuated with men holding radical communist ideas."

"Collective bargaining gradually faded away," he added "and for it was substituted 'collective threatening.'"  
Mr. Watkins asked if Mr. Murray would justify the calling of a national strike of all union miners including anthracite, because of failure to reach an understanding in the central fields.

Mr. Garfield said the consumer of coal is not warranted in demanding that he pay less for one product delivered at his home or factory than shall represent fair profit and fair wages and a just return for transportation and a fair commission to those who perform necessary functions in the distribution of the product.

"What the public objects to," he declared, "and to this the public has every right to object, is that unfair profits, excessive wages, unnecessarily large freight charges and commissions shall be laid upon him and thus without the opportunity to be heard or the power to prevent. He is entitled to be heard thru his chosen representatives whenever he is called upon to pay more than is fair or whenever—and this is more important still—this necessary basic commodity is denied to him."

SECRETARY WALLACE'S  
ARBOR DAY ADDRESS IS  
HEARD BY THOUSANDS

Is Broadcasted Thruout the  
Country by Government  
Radios

(By The Associated Press)  
WASHINGTON, April 21.—An arbor day speech delivered to-night by radio by Secretary Wallace was declared by experts to have "reached more people than any human voice since time began."

The speech was transmitted from the government stations at Arlington, San Diego, San Francisco, the Great Lakes Station and by all the radio-relay league and other broadcasting stations.

Secretary Wallace paid a tribute to J. Sterling Morton, founder of "Arbor Day" and sounded a warning that "unless as a people we give thought to our need for forests we shall suffer an increasing economic and social loss."  
The country's forests, a half-century ago thought inexhaustible, he added, have been retreating steadily before fire and axe and a vast area of denuded and idle land has resulted. This, he said, can only be restored to usefulness through tree planting.

FIRST ASSISTANT  
POSTMASTER TO TALK

(By The Associated Press)  
WASHINGTON, April 21.—First Assistant Postmaster Bartlett was understood today to have an invitation to address a mass meeting April 27 to be held under the auspices of the National Civil Service League which charges that "an organized effort is afoot to destroy the competitive system of the civil service."

Mr. Bartlett who was president of the civil service commission before entering the post office department was asked to address the meeting it was said because of his knowledge of civil service procedure and his view that the system should protect the rank and file of government employees and at the same time enable the president to select in his own judgment that officials entrusted with administrative policies.

Mr. Bartlett was one of those citizens in a statement issued by the league recently attacking the alleged attitude of Attorney General Daugherty, Secretary Davis, Postmaster General Work and others.

K. T. CONCLAVE TO BE  
HELD IN NEW ORLEANS

The first of several special trains carrying Knights Templar to the New Orleans triennial convocation will leave Chicago at 2:15 this afternoon over the Chicago & Alton to St. Louis. This, the fifth triennial convocation, opens Tuesday and the festivities will continue thruout the week.

The convocation is being held much earlier than usual on account of the climatic conditions in the south. John Phillips, recorder of Hospitalier Commandery, said yesterday that the local commanders will not be represented at this convocation.

SCARLET FEVER CASES

There are several cases of scarlet fever in the fourth ward. Jimmy Hain has the disease and will be confined to the home of Mr. and Mrs. F. J. Heini on South Diamond street for the period of the quarantine. A son of Mr. and Mrs. W. D. Roberts is also in the scarlet fever list, as are two children of Mr. and Mrs. Paul Thompson.

The Equimans, and most African tribes, have broad, flat noses. This is due to the fact that the mothers of those races carry their babies crouching against the breast or shoulder at the time when the nose is in its most plastic state, the frequent pressure making the nose flat.

FLOOD CONDITIONS NOW  
IMPROVED AT NAPLES

Jacksonville Men Visited City of  
Ten's Friday Afternoon—Penalty  
At Risk, Best of Squad—  
First Area Covered by Wheat—  
Wheat in Elevator Not Damaged.

The river at Naples was lowered 16 inches in the last 48 hours, according to the report of several Jacksonville men who made the trip there Friday afternoon. The party included F. J. Backlund and his son William, C. J. Buhner and M. C. Dwyer. They drove to a point about one mile west of Naples, and then walked another mile along the railroad right of way to a point where they were met by W. E. Hatfield with a boat. The rest of the journey was made by water.

All of the Naples people are now living in the tent colony on a knoll of farm land which takes them entirely away from the danger of the water. As previous news stories have narrated, the tents were provided from the military supplies of Illinois and the evacuation of the town for the present camp quarters was made after a proclamation had been issued by the mayor of Naples, calling attention to the flood dangers.

New Tents Added.  
According to the Jacksonville men, all the Naples people are taking the situation very philosophically. Their tent homes have been made as comfortable as possible and new tents are being added each day to the group in order to make the quarters the more spacious.

It is possible to walk all the way from the tent colony down to the Naples stores by following the top of the levee. While all residences within Naples are in water to at least a depth of a few inches above the first floor, the several stores have been able to keep their stocks of goods above the water line. The supplies available have thus far been sufficient to meet the needs, altho the store stocks have been supplemented to some extent by supplies from outside sources.

A good many Naples people are quite accustomed to camp life especially during the fishing season, so that the change for them is not as marked as would be true for the residents of most inland towns.

The sudden fall in the water is believed to have passed because a levee to the south broke and it is therefore not unreasonable to expect that the water will rise to a higher point in the course of the next day or two, but it is not expected that the recent high mark will be reached.

Elevator Grain Safe.  
Mr. Blackburn was greatly relieved to find that the water had not touched the wheat stored in his Naples elevator. There are 9,000 bushels of wheat in storage and if the bins had been somewhat lower down a heavy loss would have resulted. Seven thousand bushels of corn is stored in cribs at the elevator and the lower three feet of these corn cribs have been under water. This portion of the corn will be somewhat damaged but the corn will be shipped as soon as the river gets to normal height and it is not expected that any heavy loss will result.

Naples and the surrounding country presents a really wonderful sight, the Jacksonville men said last night, because of the broad expanse of water. One can see miles of water and for one who has seen that area only under normal conditions it is hard to believe that such a vast acreage of farm land could become water covered.

PHI ALPHA HELD  
MEETING FRIDAY

Members of Phi Alpha society of Illinois college held their regular meeting Friday evening. The following program was given:

- Stingley—Why We Laugh.
  - Collins—Use of Fear in Religious Conversation.
  - Declaimers—
  - Rutcher—The Vamp.
  - Grum—Adams on Declaration of Independence.
  - Orator—
  - Nickle—True Conception of Prayer.
  - Thomason—An Autobiography.
  - Extemporizer—
  - Harney—Bate's Experimental Road.
  - Improptus—
  - Sheppard—School Politics.
  - Miller—Last Chance.
- After a ten minute recess there followed a debate on the question

## MADAME SAPIO IN BRILLIANT CONCERT

Appeared Before Large Audience in Music Hall at Women's College Friday Night—Program Was Varied and Pleasing.

A large and appreciative audience greeted Madame Clementine de Vere Sapio when she appeared before Jacksonville music lovers last evening in a concert given at Illinois Woman's College. The audience responded most enthusiastically and cordially applauded the artistic singing of this noted New York soprano. Madame Sapio was assisted by her daughter, Miss Olga Sapio, of the faculty of the College of Music, whose piano accompaniments were sympathetic and pleasing, and whose two solo numbers, the Andantino from Schumann's Sonata in G minor, and "The Trout," by Schubert-Heller, were executed with skill and beauty of effect.

To her grace and skill as a singer, Madame Sapio adds a charm of personality and grace of manner which won for her the sympathy and enthusiasm of her audience and she responded many times to the repeated demands for encore. Madame Sapio's reputation as an artist of extreme ability and international prominence makes it unnecessary to make any comment on her performance of last night. Real artistic merit, beauty, and richness of tone, flexibility and ease of execution are some of the outstanding characteristics of Madame Sapio's singing as a Jack-

sonville audience heard it last night. Especially charming were the Pans Angelicus, by Franck and the Serenade by Gounod, to which Miss Beatrice Horsbrough lent her art to that of the singer in beautiful violin obligatos. Madame Sapio's singing of the Aria from Aida displayed her dramatic ability and the great compass and richness of her voice. The number, "Send Me a Dream," composed by Marion Bauer, a noted New York critic and personal friend of Madame Sapio, was sung with a simplicity and charm that won hearty applause. The two numbers by Eric and Redente Zardo are still in manuscript form and the singer sang the delightful "S'avesse l'alle," and the pensive "Longing for You" with a grace of style that made these songs the most popular of the evening's enjoyable program.

The concert was one of the most delightful heard in Jacksonville this season and the city's music lovers count themselves fortunate to have had the privilege of hearing Madame Sapio.

### The Program

1. (Voice).
  - (a) Pans Angelicus—Cecar Franck.
  - (b) Psyche—Ambroise Thomas.
  - (c) Pastorale—George Bizet.
  - (d) Serenade—Gounod.
2. (Voice).
  - (a) In the Woods—Ed MacDowell.
  - (b) Send Me a Dream—Marion Bauer.
  - (c) Longing for You—Eric Zardo.
  - (d) Spring.
  - (e) Summer—Romualdo Sapio 3 (Piano).
  - (a) Andantino from Sonata in G Minor—Schumann.
  - (b) The Trout—Schubert Heller.
3. (Voice).
  - (a) Ah! quand je dors—Liszt.
  - (b) Canzone—Paolo Tosti.
  - (c) S'avesse l'alle—Redente Zardo.
  - (d) Mattinata—Leoncavallo.

## DEATHS

### De Freitas.

The death of Miss Adeline De Freitas came at 10:30 o'clock Friday morning at the family home, 316 North East street. The remains were removed to the Gillham Funeral Home and prepared for burial. Funeral arrangements have not yet been completed, awaiting word from a relative in California.

The deceased was a resident of this city all her life and was born October 18, 1887. She was a daughter of Mr. and Mrs. Antonio De Freitas, her father having her death a number of years since. She was a member of Northminster Presbyterian church and was active in various lines of church work.

The surviving relatives are the mother, Mrs. Mary De Freitas, one sister, Mrs. Mary Wagner of Alexander, and two brothers, R. K. De Freitas of this city and Charles De Freitas of Tracy, Calif.

### Decker.

Mrs. Flora May Decker of 316 South East street passed away at 11:45 o'clock Friday morning at Passavant hospital, where she had been a patient for some time. Death was not unexpected as the deceased had been in a serious condition for several days.

Mrs. Decker was born January 3, 1892, in Litchfield and was the daughter of William and Hester Norman Collins. Her marriage to Albert Decker took place in this city eleven years ago.

Surviving are the husband, the parents and three brothers, Orin Collins and Benjamin Collins of this city, James Collins of Peoria.

The remains were brought to the Gillham Funeral Home and prepared for burial. The funeral will be held at 10:30 o'clock Sunday morning from the Litchfield Christian church, and interment will be made in Arcadia cemetery.

### FORMER RESIDENT DIES IN IOWA

Mention has previously been made of the death of John Richard Vasey at his home near Collins, Iowa. The deceased was a cousin of John Vasey, living west of Jacksonville, and was resident in this county for several years, subsequent to 1861 when he came from England to America.

The following notice of Mr. Vasey's death appeared in the Collins Gazette:

John Richard Vasey was born at Burnston, Yorkshire, Eng., August 2, 1848, and passed away at his home, two miles north of Collins, Saturday morning, March 4, at 2:10, his age being 73 years, 7 months and 2 days.

He came to America in 1861 and located in Morgan county, Illinois.

He was married to Nancy Bridge of Morgan county, Ill., at Jacksonville, Ill., on Sept. 1, 1869. They came to Iowa March 1, 1870, and lived in this state until 1874, when they returned to Morgan county, Ill., staying there until 1888 when they again changed their residence to Iowa. This they made their permanent home and have lived in Story county since 1889.

To this union fourteen children were born, eleven of whom still survive. One daughter, Alice Ellen Alexander died at Camp-

This hat was designed as an Easter gift for Mrs. Harding. It is of eury French dantelle. Note the nine-foot sash. Madame Sunshine, New York milliner, went to Washington to personally present the hat.

stool, Wyoming, in 1915. Two children died in infancy. He leaves to mourn his passing, his wife and children, Rebecca Bloomfield, of Maxwell, Iowa; Mrs. Sarah Jane Bethers, of Collins; John Williams of Rose Creek, Minn.; Joseph, of Newton, Iowa; Mrs. Rose May Franklin, of Collins; Prince Edward, of Collins; Mrs. Emma Louis Smith, of Collins; James Henry, of Hayward, Wis.; George Albert, of Ledyard, Iowa; Mrs. Ada Smith, of Fort Leavenworth, Kansas, and Mrs. Clara Bell Bachous, of Colo. All the children were present at the funeral with the exception of Mrs. Ada Smith who was unable to be present on account of sickness.

The deceased was a professing by three brothers, William Vasey, George R. Vasey and Joseph Vasey, all of Collins, and 29 grandchildren and six great-grandchildren.

The deceased was a professing Christian. He joined the Methodist Episcopal church in Illinois, and after he moved to Collins, was active in the Methodist Protestant church. Besides his relatives he leaves a host of friends whose respect and affection he had won by his kindly personality and his righteous life.

The pall bearers were Messrs. A. S. McCord, J. W. McCord, Lawrence Franklin, James Franklin, John W. Thompson and Arthur Torrey.

The funeral services were held at the Methodist Episcopal church in Collins Monday afternoon at 2 o'clock, conducted by Rev. Paul M. McDade. Interment was made at Evergreen cemetery.

## CONDITIONS BAD IN SCOTT COUNTY

W. B. Rogers Visits Scott County Drainage Where Flood Waters Have Broken Levee—Many Farmers Will Lose Everything in Flood.

W. B. Rogers, who was over in the Scott County drainage district Friday, drove to within five miles of the levee in his car, the remainder of the journey being made with a horse and buggy. Mr. Rogers reports that the levee broke at the northern extremity, where it was least suspected to break. The hundred men who were on duty watching for a break were apparently satisfied that the danger was well high over, when the gap was torn open. One man could have probably stopped the initial break if some one had been on hand at the time. The water is rushing to the southern portion of the district, which is the lowest section there.

Five thousand acres of wheat are covered to a depth of nearly a foot of water, and much corn, which was stored, will become a total loss.

The inhabitants are moving out of the country. About eighty wagons were hauling corn and dumping it on a sandy knoll, in hopes that it might be saved. People with all the household goods that have been spared to them, are moving out in wagons. In fact, the scene looks very similar to the rush to the gold fields in "forty-nine." The only persons who are not forced to move are Edward Comerford and William Meyers, whose farms are on a higher plane than the rest.

Mr. Rogers says that the fine spirit with which the people took their lot in the early stage of the flood is becoming broken, and sad serene faces are seen on every hand, for they are now fully aware of the extent of the destruction.

Estate of William H. Jackson, deceased.

The undersigned having been appointed Administratrix of the estate of William H. Jackson late of the county of Morgan and state of Illinois, hereby gives notice that she will appear before the County Court of Morgan County, at the Court House in Jacksonville, at the June Term, on the first Monday in June next, at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted.

All persons indebted to said estate are requested to make payment to the undersigned.

Dated this 7th day of April, A. D. 1922.

AGNES A. JACKSON,  
Administratrix.

## GARDEN FLOWERS WILL BE SHOWN

SPRINGFIELD, ILL.—Garden flowers grown in Springfield will be exhibited in competition at the Springfield Art Club May 15, by members of the city's newest and most unique organization—the Garden Club. There are fifty door step flower gardens already represented in the club and it is expected the exhibit will bring a number more.

Several members of the club already have acquired a reputation for the excellence of some particular species of flower. The Garden Club meets regularly in its members' gardens. When the best trumpet vine in town blooms out most gloriously, the club meets in the garden its graces, and

and spends time after business is transacted, to admire it and congratulate its owner.

Earlier in the year a meeting will be held in the garden where wild flowers have been cultivated. This garden is a good meeting place all the year around, as some wild flowers are blooming throughout the flower season. Tulips are featured in another garden, where one of the earliest spring meetings will be held, and petunias, geraniums and vinnias are featured in a garden that offers a pleasant rendezvous for any summertime.

Polished shoes were for a long time looked upon as a sure sign of effeminacy in men, and were often even ridiculed.

## We'll Give Her \$160 Month

for life. That's what we will pay your wife when the family income is stopped by your death. It will take you many years to save enough to give your wife an assured income of that amount. You may never save that amount of money and yet live to a ripe old age, or you may die before you have made a good start.

The average man can easily carry a Monthly Income Policy paying his wife that amount, or less, for life. This is cheaper than the usual form of old line life insurance and besides is safer and more satisfactory for her. If you leave her a large amount of insurance money she may not invest it wisely or safely. A large amount of money may dwindle or become wasted within a very few years. The Monthly Income Policy prevents all this. It's permanent.

Every year your chances for passing a life insurance examination are lessened. When you awake to the realization of your need for insurance you may not be able to get it. And remember, too, there's no easy time to buy insurance. It's all in making up your mind.

REPUBLICANS BURY HATCHET AND HOLD HARMONY MEETING

(Continued from Page One.)  
Mr. Etteson, South-Thompson leader in the last legislature, as temporary chairman. He recognized Senator Glenn of Jackson county, after a short keynote speech, and the senator nominated Senator McKinley for permanent chairman, the election carrying by acclamation when the chair intone lately declared nominations closed.

Senator Essington of LaSalle county, an anti-Small leader, moved that resolutions be sent to the committee unread; George Barr presented the slate for University trustees—M. J. Trees, Chicago; J. W. Armstrong, Rock Island, and Mary Buse, Urbana—

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards' reduced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years, and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.

Thousands take them every night just to keep right. Try them. 15c and 30c.

and it was nominated; Congressman Michaelson of Chicago, moved that the state central committee be authorized to fill any vacancies which may arise on the state ticket; and Congressman Williamson presented the platform prepared in advance.

The reading had barely started when the Governor and Mayor Thompson appeared in the armory and were given an enthusiastic demonstration as they acceded earlier to Senators McCormick and McKinley and Attorney General Brundage.

At 2:25 o'clock after being in session eight minutes less than an hour the convention had adopted the platform and the chairman's gavel fell for final adjournment.

TARIFF MEASURE RECEIVES SCANT NOTICE FRIDAY

Republican Leaders Finally Defer Action Until Monday

(By The Associated Press)  
WASHINGTON, April 21.—Officially the tariff bill was before the senate today but it received such scant attention that Republican leaders finally acquiesced in a request of the Democrats that further consideration of it be deferred until Monday. By that time the minority expects to be ready to proceed with the general distribution of the measure.

When the bill was called up by Chairman McCumber of the finance committee, Senator King, Democrat, took the floor and after a reference to the tariff launched into a nearly four hours' discussion of the Mexican situation.

After his address Senator Harrison, Democrat, had the senate clerk read a lengthy newspaper account of a speech by Senator Moses, Republican, New Hampshire, in which the agriculture bloc and many other things were discussed. This over, Senator Curtis, the Republican whip, demanded the regular order, which was consideration of committee amendments to the tariff bill.

Senator King announced that if he regular order were insisted upon he would have to make a speech or another subject.

Senator Harrison interposed to request that the tariff bill go over until Monday, saying the Democrats had not had time to "do the work to prepare themselves for the tariff fight," he added that there was no discussion on the mine side unnecessarily to delay the bill.

Senator McCumber said he was glad to hear this declaration as he had been unable to connect up the speech of Senator King with the tariff.

CONTEST WAS HELD AT WINCHESTER FRIDAY

Declaratory and Musical Contest at Lyric Theater Drew Large Audience—J. T. Priest Weds. St. Louis Girl—Other News Items.

Winchester, April 21.—The declaratory and musical contest held Friday evening at the Lyric drew a very large audience and the program was one which was greatly enjoyed. The young ladies were seated on the stage, which was prettily decorated with spring flowers and the national colors. The high school orchestra furnished the opening music and the program as previously outlined was given.

The first prize in declamation was awarded to Opal McCarthy and the second to Eva Hammon. In the vocal contest the first honors went to Ruth Buckley and the second to Oliver Walker.

The contestants in declamation were trained by Mrs. Cunningham while those in vocal were drilled by Mrs. S. G. Smith. The decisions reached by the judges seemed to meet the approval of the audience which was enthusiastic in applause.

T. J. Priest Weds.

Many were surprised to learn of the marriage of Thomas J. Priest of Winchester to Miss Nellie M. Lawton of St. Louis, the ceremony being performed at the home of the bride's parents in St. Louis Wednesday. The bride and groom arrived in Winchester Wednesday evening and are receiving the congratulations of many friends, all of whom join in wishing them a happy married life.

Mr. Priest is well known and highly respected in Scott county. He served as state's attorney for a period of years and is one of the prominent citizens of the community. His bride who is well known here, has held a responsible position with the Shapleigh Hardware Company of St. Louis.

News Notes.

Mrs. J. W. Eckman was able to be cut for the first time Friday since her return from the hospital.

Mrs. W. H. Kinison and Miss Louise Frost went to White Hall Friday afternoon to act as judges in a declamatory and musical contest held there.

Allen Kinison of Naples has arrived in Winchester and reports flood conditions there as very serious, practically all of the houses being flooded on the low or floors.

Major Page, said to be the smallest man in the world, recently met Karl Richter, the tallest man in Minneapolis. The major is 35, is 32 inches high and weighs 26 pounds. Richter, 29, is six feet seven and weighs 232.

MINERS MAY GO TO WORK PENDING NEW AGREEMENT

(Continued from Page One)  
Mr. Watkins contended that the operators encouraged the principle of collective bargaining between miners and operators in large groups but it has temporary, broken down by the action of the mine workers.

Their failure to spread their control over the large non-union fields of Pennsylvania, West Virginia and other states can partly be attributed, he said, "to the fact that they have broken away from the true principle of collective bargaining and have adopted autocratic coercive methods in the organized fields all of which is known and has caused the stubborn resistance which you see today among both miners and operators in the non-union fields. Further it is quite natural that such a large organization would find itself unable to control the ideas of a membership running between 500,000 and 600,000. The result has been that the organization is permeated with men holding radical, communistic ideas.

"Collective bargaining gradually faded away," he added "and for it was substituted collective threatening."

Mr. Watkins asked if Mr. Murray would justify the calling of a national strike of all union miners including anthracite, because of failure to reach an understanding in the central fields.

Mr. Garfield said the consumer of coal is not warranted in demanding that he pay less for one product delivered at his home or factory than shall represent fair profit and fair wages and a just return for transportation and a fair commission to those who perform necessary functions in the distribution of the product.

"What the public objects to," he declared, "and to this the public has every right to object, is that unfair profits, excessive wages, unnecessarily large freight charges and commissions shall be laid upon him and thus without the opportunity to be heard or the power to prevent. He is entitled to be heard thru his chosen representatives whenever he is called upon to pay more than is fair for a necessary article and this is more important still—this necessary basic commodity is denied to him."

ALEXANDER

Joseph Kumble of Jacksonville was in Alexander on business Friday.

Mr. and Mrs. M. E. Greenleaf and family were Jacksonville people who visited Alexander Friday.

Misses Dorothy and Wanda Kumble are visiting at the home of their grandfather, Joseph Kumble, in Jacksonville.

FIRST ASSISTANT POSTMASTER TO TALK

(By The Associated Press)  
WASHINGTON, April 21.—First Assistant Postmaster Bartlett was understood today to have an invitation to address a mass meeting April 27 to be held under the auspices of the National Civil Service League which charges that "an organized effort is afoot to destroy the competitive system of the civil service."

Mr. Bartlett who was president of the civil service commission before entering the post office department was asked to address the meeting it was said because of his knowledge of civil service procedure and his view that the system should protect the rank and file of government employees and at the same time enable the president to select in his own judgement that officials entrusted with administrative policies.

Mr. Bartlett was one of those criticized in a statement issued by the league recently attacking the alleged attitude of Attorney General Daugherty, Secretary Davis, Postmaster General Work and others.

K. T. CONCLAVE TO BE HELD IN NEW ORLEANS

The first of several special trains carrying Knights Templar to the New Orleans triennial convocation will leave Chicago at 2:15 this afternoon over the Chicago & Alton to St. Louis. This, the fifth triennial convocation, opens Tuesday and the festivities will continue through the week.

The convocation is being held much earlier than usual on account of the climatic conditions in the south. John Phillips, recorder of Hospitalier Commandery, said yesterday that the local commandery will not be represented at this convocation.

OPERA SINGER WANTS TO KNOW ABOUT DIVORCE

San Francisco, April 21.—Madame Margaret Matzenauer, opera singer, thru her attorney, telegraphed from New York today for a copy of the divorce complaint filed against her yesterday.

Floyd Glotzbach, chauffeur, Glotzbach's attorney said that the move indicated Madame Matzenauer would make a quick reply to the complaint. She has 42 days from the date of filing to make such reply.

QUINCY MAN SEEKS FEDERAL ATTORNEYSHIP

Press dispatches recently carried the story that Edward C. Knotts of Springfield, U. S. district attorney for the southern district, has filed his resignation effective May 26. Among various possibilities mentioned for his successor is C. H. Wood of Quincy. Attorney General Daugherty has not yet acted upon the Knotts resignation.

FLOOD CONDITIONS NOW IMPROVED AT NAPLES

Jacksonville Men Visited City of Ten's Friday Afternoon—People Make Best of Situation—Lost Area Covered by Wheat—Wheat in Elevator Not Damaged.

The river at Naples has lowered 16 inches in the last 48 hours, according to the report of several Jacksonville men who made the trip there Friday afternoon. The party included F. J. Blackburn and his son William, C. Backlund and M. C. Hook. They drove to a point about one mile west of Naples, and then walked another mile along the railroad right of way to a point where they were met by W. E. Hatfield with a boat. The rest of the journey was made by water.

All of the Naples people are now living in the tent colony on a knoll of farm land which takes them entirely away from the danger of the water. As previous news stories have narrated, the tents were provided from the military supplies of Illinois and the evacuation of the town for the present camp quarters was made after a proclamation had been issued by the mayor of Naples, calling attention to the flood dangers.

New Tents Added

According to the Jacksonville men, all the Naples people are taking the situation very philosophically. Their tent homes have been made as comfortable as possible and new tents are being added each day to the camp in order to make the quarters the more spacious.

It is possible to walk all the way from the tent colony down to the Naples stores by following the top of the levee. While all residences within Naples are in water to at least a depth of a few inches above the first floor, the several stores have been able to keep their stocks of goods above the water line. The supplies available have thus far been sufficient to meet the needs, although store stocks have been supplemented to some extent by supplies from outside sources.

A good many Naples people are quite accustomed to camp life especially during the fishing season, so that the change for them is not as marked as would be true for the residents of most inland towns.

The sudden fall in the water is believed to have passed because a levee to the south broke and it is therefore not unreasonable to expect that the water will rise to a higher point in the course of the next day or two, but it is not expected that the recent high mark will be reached.

Elevator Grain Safe

Mr. Blackburn was greatly relieved to find that the water had not touched the wheat stored in his Naples elevator. There are 2,000 bushels of wheat in storage and if the bins had been somewhat lower down a heavy loss would have resulted. Seven thousand bushels of corn is stored in cribs at the elevator and the lower three feet of these corn cribs have been under water but the portion of the corn will be somewhat damaged but the corn will be shipped as soon as the river gets to normal height and it is not expected that any heavy loss will result.

Naples and the surrounding country presents a really wonderful sight, the Jacksonville men said last night, because of the broad expanse of water. One can see miles of water and for one who has seen that area only under normal conditions it is hard to believe that such a vast acreage of farm land could become water covered.

PHI ALPHA HELD MEETING FRIDAY

Members of Phi Alpha society of Illinois colleges held their regular meeting Friday evening. The following program was given:

Essayist—Why We Laugh.

Singley—Use of Fear in Religious Conversation.

Declamers—Butcher—The Vamp.

## MADAME SAPIO IN BRILLIANT CONCERT

Appeared Before Large Audience In Music Hall at Woman's College Friday Night—Program Was Varied and Pleasing.

A large and appreciative audience greeted Madame Clementine de Vere Sapio when she appeared before Jacksonville music lovers last evening in a concert given at Illinois Woman's College. The audience responded most enthusiastically and cordially applauded the artistic singing of this noted New York soprano. Madame Sapio was assisted by her daughter, Miss Olga Sapio, of the faculty of the College of Music, whose piano accompaniments were sympathetic and pleasing, and whose two solo numbers, the Andantino from Schumann's Sonata in G minor, and "The Trout," by Schubert-Teller, were executed with skill and beauty of effect.

To her grace and skill as a singer Madame Sapio adds a charm of personality and grace of manner which won for her the sympathy and enthusiasm of her audience and she responded many times to the repeated demands for encores. Madame Sapio's reputation as an artist of extreme ability and international prominence makes it unnecessary to make any comment on her performance of last night. Real artistic merit, beauty, and richness of tone, flexibility and ease of execution are some of the outstanding characteristics of Madame Sapio's singing as a Jack-

sonville audience heard it last night. Especially charming were the Pans Angelicus, by Franck and the Serenade by Gounod, to which Miss Beatrice Horsbrough lent her art to that of the singer in beautiful violin obligatos. Madame Sapio's singing of the Aria from Aida displayed her dramatic ability and the great compass and richness of her voice. The number, "Send Me A Dream," composed by Marion Bauer, a noted New York critic and personal friend of Madame Sapio, was sung with a simplicity and charm that won hearty applause. The two numbers by Eric Zardo and Redente Zardo are still in manuscript form and the singer sang the delightful "Savasse l'alle," and the pensive "Longing for You" with a grace of style that made these songs the most popular of the evening's enjoyable program.

The concert was one of the most delightful heard in Jacksonville this season and the city's music lovers count themselves fortunate to have had the privilege of hearing Madame Sapio.

**The Program**  
1. (Voice).  
(a) Pans Angelicus—Cecar Franck.  
(b) Psyche—Ambroise Thomas.  
(c) Pastorale—George Bizet.

**DEATHS**  
\*\*\*\*\*

**DeFreitas.**  
The death of Miss Adeline DeFreitas came at 10:30 o'clock Friday morning at the family home, 316 North East street. The remains were removed to the Gillham Funeral Home and prepared for burial. Funeral arrangements have not yet been completed, awaiting word from a relative in California.

The deceased was a resident of this city all her life and was born October 18, 1887. She was a daughter of Mr. and Mrs. Antonio DeFreitas, her father having her in death a number of years since. She was a member of Northminster Presbyterian church and was active in various lines of church work.

The surviving relatives are the mother, Mrs. Mary DeFreitas, one sister, Mrs. Mary Wagner of Alexander, and two brothers, R. K. DeFreitas of this city and Charles DeFreitas of Tracy, Calif.

**Decker.**  
Mrs. Flora May Decker of 316 South East street passed away at 11:45 o'clock Friday morning at Passavant hospital, where she had been a patient for some time. Death was not unexpected as the deceased had been in a serious condition for several days.

Mrs. Decker was born January 3, 1892, in Litchberry and was the daughter of of William and Hester Norman Collins. Her marriage to Albert Decker took place in this city eleven years ago.

Surviving are the husband, the parents and three brothers, Orin Collins and Benjamin Collins of this city, James Collins of Peoria. The remains were brought to the Gillham Funeral Home and prepared for burial. The funeral will be held at 10:30 o'clock Sunday morning from the Litchberry Christian church, and interment will be made in Arcadia cemetery.

**FORMER RESIDENT  
DIES IN IOWA**

Mention has previously been made of the death of John Richard Vasey at his home near Collins, Iowa. The deceased was a cousin of John Vasey, living west of Jacksonville, and was resident in this county for several years, subsequent to 1861 when he came from England to America.

The following notice of Mr. Vasey's death appeared in the Collins Gazette:

John Richard Vasey was born at Burnston, Yorkshire, England, August 2, 1818, and passed away at his home, two miles north of Collins, Saturday morning, March 4, at 2:10, his age being 73 years, 7 months and 2 days.

He came to America in 1861 and located in Morgan county, Illinois. He was married to Nancy Bridge of Morgan county, Ill., at Jacksonville, Ill., on Sept. 1, 1869. They came to Iowa March 1, 1870, and lived in this state until 1874, when they returned to Morgan county, Ill., staying there until 1888 when they again changed their residence to Iowa. This time they made their permanent home and have lived in Story county since 1889.

To this union fourteen children were born, eleven of whom still survive. One daughter, Alice Ellen Alexander died at Camp-

This hat was designed as an Easter gift for Mrs. Harding. It is of eury French dantele. Note the nine-foot sash. Madame Sunshine, New York milliner, went to Washington to personally present the hat.

stool, Wyoming, in 1915. Two children died in infancy. He leaves to mourn his passing, his wife and children, Rebecca Bloomfield, of Maxwell, Iowa; Mrs. Sarah Jane Bothers, of Collins; John Williams of Rosecreek, Minn.; Joseph, of Newton, Iowa; Mrs. Rose May Franklin, of Collins; Prince Edward, of Collins; Mrs. Emma Smith, of Collins; James Henry, of Hayward, Wis.; George Albert, of Ledyard, Iowa; Mrs. Ada Smith, of Fort Leavenworth, Kansas, and Mrs. Clara Bell Bachous, of Colo. All the children were present at the funeral with the exception of Mrs. Ada Smith who was unable to be present on account of sickness.

The deceased was a professing Christian. He joined the Methodist Episcopal church in Illinois, and after he moved to Collins, was active in the Methodist Protestant church. Besides his relatives he leaves a host of friends whose respect and affection he had won by his kindly personality and his righteous life.

The pall bearers were Messrs. A. S. McCord, J. W. McCord, Lawrence Franklin, James Franklin, John W. Thompson and Arthur Torrey.

The funeral services were held at the Methodist Episcopal church in Collins Monday afternoon at 2 o'clock, conducted by Rev. Paul M. McLeod. Interment was made at Evergreen cemetery.

**ADMINISTRATOR'S NOTICE**  
Estate of William H. Jackson, deceased.

The undersigned having been appointed Administrator of the estate of William H. Jackson late of the county of Morgan and state of Illinois, hereby gives notice that she will appear before the County Court of Morgan County, at the Court House in Jacksonville, at the June Term, on the first Monday in June next, at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted.

All persons indebted to said estate are requested to make payment to the undersigned.

Dated this 7th day of April, A. D. 1922.

AGNES A. JACKSON,  
Administratrix.

## CONDITIONS BAD IN SCOTT COUNTY

W. B. Rogers Visits Scott County Drainage Where Flood Waters Have Broken Levee—Many Farmers Will Lose Everything in Flood.

W. B. Rogers, who was over in the Scott County drainage district Friday, drove to within five miles of the levee in his car, the remainder of the journey being made with a horse and buggy. Mr. Rogers report that the levee broke at the northern extremity, where it was least suspected to break. The hundred men who were on duty watching for a break were apparently satisfied that the danger was well nigh over, when the gap was torn open. One man could have probably stopped the initial break if some one had been on hand at the time. The water is rushing to the southern portion of the district, which is the lowest section there.

Five thousand acres of wheat are covered to a depth of nearly a foot of water, and much corn, which was stored, will become a total loss.

The inhabitants are moving out of the country. About eighty wagons were hauling corn and dumping it on a sandy knoll, in hopes that it might be saved. People with all the household goods that have been spared to them, are moving out in wagons. In fact, the scene looks very similar to the rush to the gold fields in "forty-nine." The only persons who are not forced to move are Edward Comerford and William Meyers, whose farms are on a higher plane than the rest.

Mr. Rogers says that the fine spirit with which the people took their lot in the early stage of the flood is becoming broken, and sad serene faces are seen on every hand, for they are now fully aware of the extent of the destruction.

## GARDEN FLOWERS WILL BE SHOWN

SPRINGFIELD, ILL.—Garden flowers grown in Springfield will be exhibited in competition at the Springfield Art Club May 15, by members of the city's newest and most unique organization—the Garden Club. There are fifty door step flower gardens already represented in the club and it is expected the exhibit will bring a number more.

Several members of the club already have acquired a reputation for excellence of some particular species of flower. The Garden Club meets regularly in its members' gardens. When the best trumpet vine in town blooms out most gloriously, the club meets in the garden its graces, and spends time after business is transacted, to admire it and congratulate its owner.

Earlier in the year a meeting will be held in the garden where wild flowers have been cultivated. This garden is a good meeting place all three year around, as some wild flowers are blooming throughout the flower season. Tulips are featured in another garden, where one of the earliest spring meetings will be held, and petunias, geraniums and vinnias are featured in a garden that offers a pleasant rendezvous for any summertime.

Polished shoes were for a long time looked upon as a sure sign of effeminacy in men, and were often even ridiculed.

**We'll Give Her \$160 Month**

for life. That's what we will pay your wife when the family income is stopped by your death. It will take you many years to save enough to give your wife an assured income of that amount. You may never save that amount of money and yet live to a ripe old age, or you may die before you have made a good start.

The average man can easily carry a Monthly Income Policy paying his wife that amount, or less, for life. This is cheaper than the usual form of old line life insurance and besides is safer and more satisfactory for her. If you leave her a large amount of insurance money she may not invest it wisely or safely. A large amount of money may dwindle or become wasted within a very few years. The Monthly Income Policy prevents all this. It's permanent.

Every year your chances for passing a life insurance examination are lessened. When you awake to the realization of your need for insurance you may not be able to get it. And remember, too, there's no easy time to buy insurance. It's all in making up your mind.

**SENIOR I. W. C. GIRLS GAVE ONE ACT PLAY**

The Senior Class girls of Illinois Woman's College gave a musical comedy last evening for the benefit of the endowment campaign. The comedy was an original production written by Margaret Hamilton and the story was based on the doings of the Gumps. Miss Harriett Keyes took the part of Andy Gump, Miss Carmen Dugger was Min and Miss Margaret Hamilton was Chester. The chorus was composed of six girls dressed in pretty Prefrette costumes and included Misses Jennie Lacey, Mildred Mayer, Velma Bain, Ada Clotfelter, Miriam McOmber and Gladys Laughlin. The affair was given in the social room and was one of the series of stunts given by the girls for the benefit of the endowment fund. Miss Margaret Marker had charge of the music for the play.

Co., San Jose, Ill. 4-12-10f.

BIG UPURNS IN  
PRICE OF WHEAT

By Associated Press.  
CHICAGO, April 21.—Active  
trading having based more or less  
on higher quotations at Liverpool  
and on hopeful reports from the  
Genoa economic conference led to  
a big upturn today in wheat  
prices here.  
Acquisitions followed and the  
close was unsettled at 4c to 2½c  
per bushel, with May \$1.45½ to  
\$1.47 and July \$1.27½ to  
\$1.27¾. Corn finished 1½¢ off  
to a like advance, puts unchanged  
to ½¢ higher and provisions vary-  
ing from unchanged figures to a  
rise of 12c.

Wheat for May delivery showed  
by far the greatest strength,  
opinion apparently becoming gen-  
eral that the principal holders of  
May contracts would prove equal  
to taking in and paying for wheat  
regardless of prospective enlarged  
shipments to Chicago from other  
nearby centers. In this connection  
it was pointed out that bulls were  
being helped by the 35 cent duty  
keeping away Canadian wheat.  
There was gossip also that the  
wheat surplus in Argentina total-  
ed at present less than 55,000,  
000 bushels of wheat, 25,000,000  
bushels was already sold. Fur-  
thermore a bullish domestic crop  
summary attracted notice.

Highest prices of the day in the  
wheat market here accompanied  
estimates that 2,000,000 bushels  
of new crop domestic winter  
wheat had been purchased for ex-  
port and that there had also been  
European buying of Canadian  
wheat. Declines from the day's  
top prices were ascribed chiefly to  
profit-taking on the part of mis-  
cellaneous longs. Corn and oats  
prices were responsible to the up-  
turn of the wheat market, but  
reports of more favorable weather  
for field work had a good deal of  
counter effect later.

Provisions values averaged  
higher in line with grain and  
hogs.

DUN'S REPORT  
WILL SAY TODAY

By Associated Press.  
NEW YORK, April 21.—Dun's  
tomorrow will say:  
"Not without accompanying ir-  
regularities, yet with unmistak-  
able clearness the trend toward  
better business continues. Uni-  
formly toward progress is pre-  
vented by strikes and other im-  
pediments but the present un-  
evenness of conditions is not sur-  
prising as no other result was to  
be expected during the period of  
commercial revival. Gains that  
have occurred in recent months if  
not extended in equal measure  
to all lines of enterprise have  
been such as to give encourage-  
ment and instances are becoming  
more common where reports from  
various sections carry a note of  
optimism.  
Basic industries with few con-  
spicuous exceptions disclose a  
steady renewal of activity and the  
countrywide expansion of build-  
ing operations which is evidenced  
by a special survey of the situa-  
tion made by Dun's Review is a  
highly significant development. A  
wholesome and gratifying future  
in the fact that the improvement  
in business has been a gradual  
progress also certain phases in  
iron and steel, because of coal  
strike influences have suggested  
possibility of temporary reaction.  
Generally buying is still confined  
with prudent limits and prices are  
kept under control, conservation  
interest recognizing the import-  
ance of maintaining stable condi-  
tions and solid foundations for  
subsequent recovery."  
Weekly bank clearings \$6-  
736,745,000.

# ORGANIZE TO SEND HELP TO FLOOD AREA

## Jacksonville Citizens Make Quick Response to Appeal for Aid—Systematic Canvass for Funds Will Begin Today—Various Societies of City Make Liberal Pledges

At least sixty people enthusiastic to aid the cause of flood sufferers met at the Chamber of Commerce rooms Friday morning. Newspaper announcement of the meeting was sufficient to bring these people together, interested not only as individuals but as the representatives of churches, lodges and other organizations.

The relief work took definite form by the forming of an organization with Lou's Frank as president; J. F. Claus vice president and Harold Welch secretary and treasurer. Although it was not expected that contributions would be made at this meeting, held on such short notice, nevertheless funds were quickly subscribed in excess of \$500.

Arrangements begun at this meeting and completed during the day provide for a systematic canvass of the city. It is the thought to have the work move along so rapidly that the canvass can be concluded by Wednesday or Thursday. Definite assignment of territory has been made, today teams will be at work in the business district and tomorrow still other solicitors will be busy in the residence districts.

Every man, woman and child will have the opportunity to aid in the raising of this fund, which is not only for the aid of Beardstown but also for other localities where the relief work is needed.

Talks of conditions.

J. W. Merrigan, vice president of the chamber of commerce, called the meeting to order and served as chairman until organization was effected. Mr. Frank decently spent two days in Beardstown and is so quite familiar with conditions there. He told the audience something about the needs and the situation that Beardstown faces in the after flood days. He said that something of the same conditions prevailed at Mercedia and Naples.

Others in the company bore testimony to first hand facts about flood conditions and Secretary Welch told of the direct appeal for aid made by a duly constituted relief committee of Beardstown business men.

Rev. T. H. Tull of the Ministerial Association spoke of the need of finding out facts about the most immediate needs of flood sufferers and stated that the Ministerial Association will be glad to present the whole matter to the churches, and that subscriptions will be received in the churches on Sunday.

Some Lodges Reported.

One of the first pledges was reported by Jacksonville Lodge No. 579, A. P. & A. M., for \$50, this amount having been subscribed at a meeting Thursday night. However, the list below indicates very clearly the interest shown by various organizations. In addition, a representative of other organizations said there was no question but that subscriptions would be made just as soon as the matter could be presented to the proper officers of their organizations.

J. C. Colton reports the Woodson Red Cross contribution of \$100.

Supt. of Schools H. A. Perrin outlined the manner in which the public schools will aid in this situation and he said further that the Social Service League thru its workers can be of assistance.

The board of education has issued an order which will make it possible for any refugee children who are in the city to attend as long as they are here.

The Captain of the Salvation Army pledges assistance and W. T. Harrison told of contributions by the Knights of Columbus and said the members of the organization would aid in every way possible. The list of contributions, together with the names of organization workers, is given below:

|  |          |
|--|----------|
| Cross  | \$100.00 |
| H. L. Caldwell, R. P. O. E. C82                        | 100.00   |
| Richard Reynolds Jacksonville Lodge 379, A. F. & A. M. | 50.00    |
| J. E. Scott, Favorite Lodge, K. of P.                  | 25.00    |
| Elise Williamson, Rebecca Lodge, 625                   | 10.00    |
| J. F. Claus, Auto Motive Dealers                       | 25.00    |

## INFORMAL PROGRAM AT ROTARY MEETING

Synopsis of Brief Addresses From Members—New Officers For Year Announced.

There was no formal program at the Friday luncheon of the Rotary club, at which President Vincent R. Riley presided. Instead of the usual address a group of members made informal talks. Dr. Carl E. Black told of the importance of the prevention of disease, especially in relation to child life. He said that merely as a matter of business economy that the prevention of disease takes its important place in the affairs of today.

Charles T. Mackness told about some of the difficulties of the farm implement business because of the unusual conditions which have come about in the business of the farmer where the reduction in prices for products was so radical that the farmers had difficulty in adjusting himself to the situation.

Other speakers were T. M. Tomlinson, Earl M. Spink and J. H. Dial.

Guests of the day were M. R. Duncan, of Texas; Ralph Hayden, of Bakersfield, G. E. Weaver, president of the Weaver Mfg. Company of Springfield; C. E. Williamson of Peoria, representing the Chicago & Northwestern road, and J. E. Scott, city clerk.

Earlier in the session Louis Frank made a statement with reference to the plans of the flood relief committee and suggested a contribution from the Rotary Club, this sum not to interfere with the individual contributions of members.

Voluntary subscriptions were made at the close of the meeting to the extent of \$135. Announcement was made by the directors of the selection of the officers who will serve during the year beginning May 1. They are:

President—J. W. Walton.  
Vice President—Dr. A. H. Dollear.  
Secretary—J. H. Dial.  
Treasurer—L. F. Randall.  
Sergeant at Arms—W. H. DeShara.

Announcement was also made that the Lubricator, which is the weekly news letter of the club, will be edited this year by Earl M. Spink, also sent out from the office of the secretary. This means that the responsibility of the secretary's office this year will be divided between Mr. Dial and Mr. Spink. The directors of the club this year, in addition to the president, vice president, secretary and treasurer, are V. R. Riley, John S. Hackett, M. L. Pontius, L. T. Hamilton and Earl M. Spink.

### SCHOOLS TO JOIN IN RELIEF WORK

Pupils Will be Asked to Give Silver Offering From Their Personal Funds.

The public schools of Jacksonville are genuinely interested in co-operating in the relief proposed for flood districts. A meeting of the principals and supervisors' council was called yesterday by Supt. Perrin, when a plan was outlined for joining in the good work. Contributions are to be received from principals, teachers, janitors and other employees and a silver offering from the student body.

The whole subject will be presented to the schools on Monday and the offering taken on Wednesday. In the case of the school children the purpose is to encourage them to give their contributions from funds which they would have spent for other things or money which they may earn for the definite purpose of giving it to this cause. By following this plan no hardship will result for any one and yet it will be possible for all to do their part in this work of relief for the neighbors in distress.

At a recent meeting the board of education approved the plan to open the schools to children of families resident here temporarily on account of flooded conditions in their home cities. Such children shall at any of the grade may make application for admission to the schools or at the senior or junior high schools. Texts and supplies will be furnished them for the period they are here.

### HIGH CLASS FILM Westminster, Sunday night.

Mr. Ship of the Peters Shoe Company of St. Louis was in town on business Friday.

### FORMER RESIDENT IN Y. M. C. A. WORK IN IDAHO PASSED AWAY FRIDAY

Mrs. Mary Emaline Cooper died at Family Home — Funeral Services Monday.

Mrs. Mary Emaline Cooper passed away at the family home south of Woodson at 3:50 o'clock Friday afternoon.

Deceased was the daughter of John B. and Amelia Tribble Fanning and was born three and one-half miles southwest of Noronville February 23, 1859.

She was twice married her first husband being Stuart Dugger who preceded her in death. Her second marriage was to James A. Cooper. She was the mother of eight children, two of whom survive. They are: William Cooper and Miss Mae Cooper of Woodson. Those preceding her in death were, Ida Lou Dustin, Lylla Burkery, Susie Coombs, Eva Cox, Eddie Cooper and Charles Cooper.

She also leaves the following brothers and sisters, John Fanning, Sherman Fanning, Mrs. C. D. Meade, Thomas Fanning, Jacksonville, Harvey Fanning, Mrs. Myrtle Coombs, Murrayville, Mrs. Laura Andrews, Winchester.

Mrs. Cooper was a member of Woodson Christian church and was a woman highly regarded by all who knew her.

Funeral services will be held from Woodson Christian church at 10 o'clock Monday morning. Burial will be in Henry cemetery.

### Dressed Chicken. DOUGLAS GROCERY & DELICATESSEN

TO MY FRIENDS IN THE THIRD WARD.
